

Make a difference, your way!

There are a lot of ways for you to help make a difference in the lives of children in our community,

Make a **BIG** Impact

We are seeking a team of passionate, enthusiastic individuals to be our advocates, our champions out in the community! If you want to spread the message about the great things that our mentors are doing, we want you to join our **Big Impact Team**! Some of the fun activities you'll be involved in are:

- Representing BBBS at community events
- Visiting local stakeholders to thank them for their support
- Helping out at BBBS events
- Promoting BBBS as the premier local mentoring organization

If any of the opportunities interest you, or if you have other skills or ideas for how you can get involved...

We want to hear from you!

Help Lead The Way

Our Board of Directors and Resource Committees are comprised of local volunteers who are passionate about bettering the lives of children.

The **Board of Directors** supports the work of our agency by providing mission-based leadership and strategic direction. Board meetings are held bi-monthly.

Volunteer members of our **Resource Committees** meet monthly and assist in:

- Planning fundraisers
- Representing the agency at community events
- Helping recruit volunteers
- Making vital connections with community stakeholders

We are also seeking dedicated volunteers to participate in key Action Teams such as our **Diversity and Cultural Competency Team**, **Marketing Team**, and more!

Start Something Fun

Take a hands on approach to getting involved!

- **Share your passion!** Do you like to scrapbook, go fishing, or work on cars? Is there something else you are passionate about? Why not schedule a time to share your passion with some of our matches?
- **Take our matches to work with you!** Introduce youth and mentors to your workplace or other organization you care about by helping us plan an activity there to broaden a match's horizons.
- **Use your skills!** Do you have an eye for photography or a knack for computers? Perhaps your knowledge on a particular subject will help us support the families we work with? Share your skills with us and help us help others!
- **Show your support!** Have fun with your friends by participating in one of our fundraising events, or start one of your own! We are always happy to work with you to raise funds or raise awareness. Or, organize a supply drive for an event like our Back to School activity!

Make a difference over your lunchbreak

Be part of our office team for a day! You'll get the opportunity to have fun, learn more about BBBS, and help the cause while you are at it! We routinely have mailings to send out, and other easy tasks that can be done over the lunch hour. Grab some coworkers, make a lunch date with your friends, and head over to BBBS! We are always looking for a reason to order pizza or fire up the grill. Come join us!

Be our HR Hero!

Are you a Human Resources whiz? If so, we would be excited to have you share your insights into:

- Organizational effectiveness
- Diversity and cultural competency
- Video/online training, and more

Come share your ideas and experience with us and help us grow!
