

Fundraising Tips!!!!

Thank you for being part of Big Brothers Big Sisters of the 7 Rivers Region mission! Your participation in Bowl for Kid's Sake is very important to the youth of our community. Every dollar raised stays in our area and benefits our youth!

We ask each Bowler to raise a minimum of \$100 to support Bowl for Kids' Sake. But, Bowl for Kids' Sake isn't just about raising the minimum amount—after all, the more you raise, the more children we can match with Big Brothers or Big Sisters. As the chart below shows, raising more than the \$100 minimum is easy—if you take the steps below!

How to Raise \$150 in 5 Days!

10 Ways to Have Fun and Raise Money for Big Brothers Big Sisters!

1. Relax and realize how EASY it is! For our regional Bowl for Kids' Sake, the average bowler raised \$150 just by asking friends and family to donate.

2. Get competitive! Challenge your co-workers to a friendly competition over who can raise the most money.

3. Email your friends and family (twice). Let them know why you're bowling to support Big Brothers Big Sisters and ask them to send a check to you or directly to Big Brothers Big Sisters of the 7 Rivers Region. Why are you bowling?? Big Brothers Big Sisters matches caring adults with children in our area and it works!!! Statistically:

- 68% of our Littles report increased **social acceptance**
- 62% of our Littles report improved **grades**
- 46% of our Littles report improved **school attendance**
- 92% of our Littles report that they are less likely to engage in **risky behaviors** (smoking, alcohol, drugs, truancy, violence)

Other outcome measures demonstrate that spending 1-2 hours a week with a child boosts confidence, decreases bullying and as adults they are confident and caring individuals. Many studies have proven the effectiveness of Big Brothers Big Sisters. You can start something just by bowling!!!!!!

4. Start a team of other coworkers, students or friends to join you and bowl, make it a group effort.

5. Facebook your friends and provide a link to online donation!

6. Ask us for help! We're here to encourage you, motivate you and make this fun.

7. Think about the children you'll be helping. Think about the nearly 600 kids we served last year and the many more kids we plan to serve in the future. Behind each number, behind each dollar, is another child who can benefit from a Big Brother or Big Sister mentor in his/her life.

8. Be a champion! Not a champion BOWLER, but a champion within your company and/or community. Encourage other people to get involved too.

9. Think about the friends that you've donated to (for walks, fundraisers, etc.). It's their turn to support you!

10. Remember that it's not about bowling; it's about raising money and having FUN to help kids. These kids are your neighbors, your children's classmates or even your future employees. Here's your chance to become a part of something BIG.
